(October 29, 2021)

In accordance with Commission Order No. 3850 (April 6, 2017), the United States Postal Service hereby gives notice that it is filing, under seal, contract term data reports for Priority Mail—Non-Published Rates (PMNPR) customer agreements that expired or terminated in FY 2021, Quarter 4. The agreements covered in these reports are listed below by serial number, along with each agreement's termination date.

Please note that, because the Postal Service has not entered into any new PMNPR agreements under this docket in FY 2021 and does not plan to do so in the future, the Postal Service does not intend to file future quarterly certifications with the Commission in accordance with Commission Order No. 3760. However, the Postal Service will continue to file these end of term data reports in accordance with Commission Order No. 3850 until all remaining PMNPR agreements under this docket have terminated or expired.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 17, 2010 Request filing in this docket, for the protection of the materials that the Postal Service is today filing under seal.
